

Guiding Questions for Goals and Initiatives

Use this checklist to assist in creating goals and activities/initiatives for your Family Engagement Action Plan.

Goals

- What are our greatest needs?
- How are we going to meet our needs?
- How will we know we're implementing our plan with fidelity?
- How will we sustain our success?
- Are the goals linked to families?

Initiatives

- What strategies or activities will help you reach the goal?
- Have you considered the all/some/few families and students?
- How can these activities/strategies involve staff so their capacity in engaging families increases?
- What data could you collect to display progress in moving toward your goal for each strategy/activity?
- Are the strategies/activities linked to families?
