

My Conference Report

Date: _____

Dear _____,

I know that learning is important. I can help myself learn by taking a look at myself.

I can look at my work. I know when I do my best. I also know when I need to do a better job. Thinking about it helps me to see the things I do well. It helps me to know if I should try to do a better job.

Please read this report. Then tell me the ways you think I am doing a good job. Tell me what you like about my ideas, too. This will help me to enjoy learning. Thank you for caring about me.

Your Child,

This is how I see myself! I have circled the faces that show my feelings.
