

Postcard One-Liners

Parent-Teacher Conference Messages

The more positive communication parents and guardians receive from schools, the more likely they will take an active, positive role in their child's education. Positive Postcards are a tool for teachers and support staff to invite parent communication without spending a lot of time or money. We recommend the messages be brief, positive and hand written. The following are sample parent-teacher conference messages translated to Spanish.

Parent-Teacher Conference Messages

- Please visit us during parent teacher conferences.
Por favor, visítenos durante las conferencias de padres y maestros.
