

Postcard One-Liners

Middle School and High School Messages

The more positive communication parents and guardians receive from schools, the more likely they will take an active, positive role in their child's education. Positive Postcards are a tool for teachers and support staff to invite parent communication without spending a lot of time or money. We recommend the messages be brief, positive and hand written. The following are sample middle school and high school messages translated to Spanish.

Middle School and High School Messages

- Please come for a Red Chair Visit.
Por favor venga para una visita de Silla Roja (Red Chair)
